

HAZARDOUS WASTE DISPOSAL

Never dispose of with residual waste or down the drain!

FIRE HAZARD!

„YELLOW BAG“ COUPONS

are available at 0800 4792671 or (only for Lemwerder) 0421 6184330 and at www.gelb-kommt-an.de.

Free disposal of hazardous waste (except used oil) for private households at the hazardous waste collection points at the recycling yards in Brake, Lemwerder and Nordenham. In addition, the hazardous waste mobile drives twice a year to locations where there are no recycling yards nearby. The dates are listed in the waste disposal calendar and in the GIB-Abfall app.

CDs / printer cartridges and old medicines

CDs and printer cartridges and old medicines can also be handed in free of charge at all 6 recycling centers in Wesermarsch.

Waste electrical equipment and batteries

Nationwide, there are over 200,000 collection points for the free delivery of used batteries. These include:

- supermarkets • department stores • electrical stores • gas stations • drugstores and recycling yards in the Wesermarsch.

Electrical appliances, as well as batteries and rechargeable batteries, do not belong in the household waste under any circumstances, but can be handed over free of charge.

You can dispose of electrical appliances free of charge through the seller, online and authorized dealers or at the recycling yards.

You can easily perform the following tasks via the GIB-Abfall app or at www.gib-entsorgung.de:

- Order and cancel containers
- Register bulky waste collection
- Find a disposal route in our Waste Disposal ABC
- Grant direct debit authorization
- Order coupons for yellow bags
- View current information
- and much more.

WASTE MANAGEMENT IN THE DISTRICT OF WESERMARSCH

WASTE SORTING MADE EASY

WWW.GIB-ENTSORGUNG.DE
NOW ALSO AS APP

RESIDUAL WASTE BIN

Only non-recyclable waste, e.g.:

cleaning cloths, ceramics, window and opal glass, ash, cosmetics, tissues, paper towels, sanitary napkins, brushes, tooth-brushes, razor blades, plasters and dressing material, cat litter, grit sand, diapers, vacuum cleaner bags, wallpaper and carpet residues, stickers, plastic-coated wrapping paper, pacifiers, etc.

Do not put in the residual waste bin e.g.:

bulky waste, bio-waste, glass, waste paper, packaging, batteries, construction waste, metals, chemicals.

BIODEGRADABLE WASTE BIN

Exclusively organic waste from the household and garden. e.g.:

eggshells, food leftovers, vegetable leftovers/peel, coffee filters, fruit leftovers/peel, tea leaves, fall fruit, branches, flowers, lawn cuttings, shrub cuttings, twigs, foliage, wild herbs (NO HOGWEED!)

Do not put in the biodegradable waste bin, e.g.:

plastic bags, biodegradable plastics, cat / small animal litter (also non-biodegradable), feces, animal carcasses and game waste, cigarette butts, diapers, old meat and bones, etc.

YELLOW BAG

Only used and empty packaging that is not made of paper, cardboard, cardboard or glass. e.g.:

aluminum, sheet metal and plastic lids, drug blisters, butter foil, plastic bags, cans, (shipping) packaging such as polystyrene foam or bubble wrap, cleaning and shampoo bottles, spray cans, etc.

Do not put in the yellow bag e.g.:

glass containers, ceramics and porcelain, residual and bio-waste, children's toys, transparent covers, aluminum foil, plastic products such as plastic buckets and tubs, flower pots, batteries and accumulators, etc.

PAPER BIN

All packaging made of paper, cardboard or cardboard without food residues. e.g.:

letters and envelopes also with viewing window, pizza boxes, filling material of paper shipping packages, catalogs, newspapers, flour and sugar bags, egg cartons, noodle boxes, etc.

Do not put in the paper bin e.g.:

cash receipts and bank statements (thermal paper), hygiene products such as paper towels and tissues, baking paper, photo paper, milk and beverage cartons, wallpaper, etc.

GLASS CONTAINERS

For empty glass packaging. Glass is sorted according to the colors white, green, brown. Any other differently colored glass should be put in the green glass container.

All non-deposit glass bottles e.g.: wine, sparkling wine, vinegar, milk, oil, juices, packaging jars for fruits, vegetables, sauces, perfume bottles, medicine bottles, etc.

Do not put in the glass containers e.g.:

ceramic hobs, light bulbs, lead glass, flat glass, window glass, ceramics, heat-resistant glass, porcelain tableware, mirror glass, earthenware bottles, drinking glasses, etc.

BULKY WASTE

Bulky waste includes household items that do not fit in the waste bin or do not belong there, e.g.:

furniture, electrical appliances, scrap and other items such as cabinets, tables, chairs, sofas, kitchens, washing machines, computers, dishwashers, coffee machines, electric stoves, refrigerators, bicycles, wheelbarrows, stepladder, bed frames, carpets, indoor pet cages, strollers.

Bulky waste does not include e.g.:

construction, demolition and commercial waste, bags and boxes filled with waste, windows, doors, radiators, gas boilers, sinks, shower trays and separators, parquet, laminate, baseboards, swimming pools, etc.
